

- CAWH Throughout NWE (act 1)
- Strategy & Upscaling (act 6)

Hans Brouwer, Stan Kerkhofs (Rijkswaterstaat)

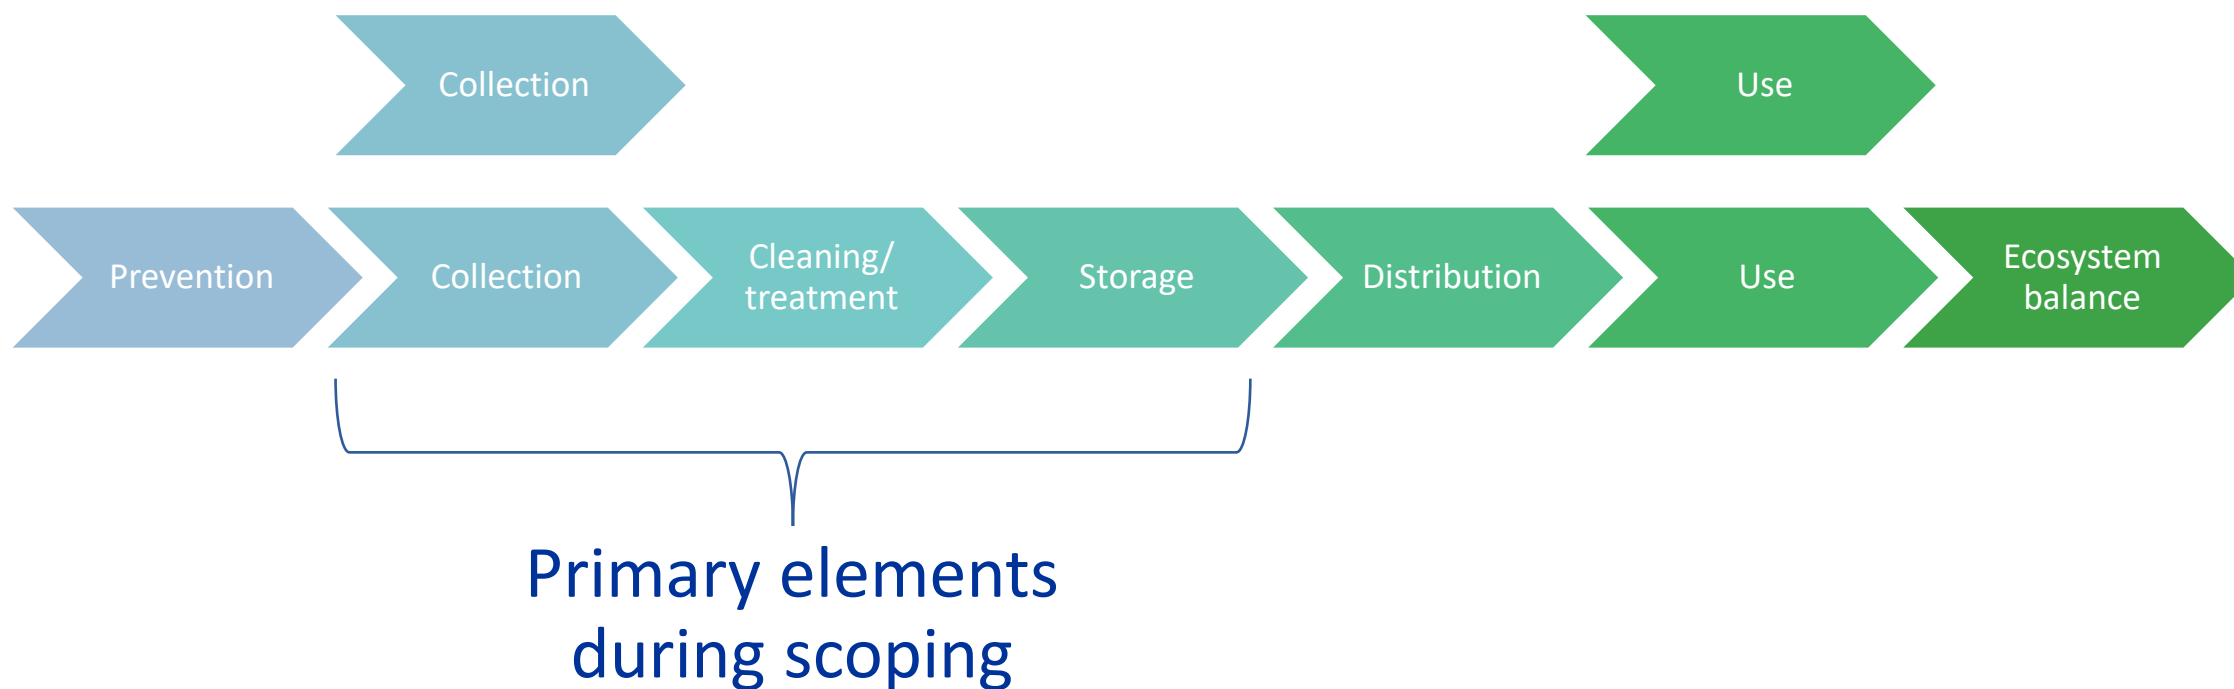

Final Conference RRR, May 20/2025, Brussels

Sharing findings of the RRR scoping efforts

Elements of climate adaptive water hubs

Focus session

- Short presentation of CAWH
- Comments and ideas concerning CAWH with the group
- Co-animate in 2 groups a CAWH. Switch after 10-15 minutes and react on the CAWH of the other group.
- Short recap of the group results

Strategy and Upscaling

Enriching the Strategy via collecting :

- (1) Recommendations to strengthen the strategy
- (2) Conditions for a successful catch performance
- (3) Risks of success
- (4) Risks of failing
